March : Fish of the “month” Trevally/Trout/Wrasse

Club Captain's report

Captains report.

Unfortunately we had to postpone our Mackerel and Tuna Comp this month, but with any luck we will have a successful weekend on the Friday, Saturday and Sunday the 21st, 22nd and 23rd of March.

Last month had members heading up to Boondooma Dam for our annual and popular trip. We had a great time with plenty of fish being caught. Joan won the club bass trophy with a 1.35kg Bass, Carl second with a 1.28kg Bass and Paul Jensen won the Yellow Belly with a beaut 3.3kg model. Actually Pauls' Yellow Belly (Golden Perch) won second for the session in the public competition and third for the whole comp. Well done to all the members for making the trip up to the dam. I reckon that next year will be bigger and better, as everyone had such a great trip.

Planning for our Tannum Sands trip at the end of April is coming along well. We look like having a record number of members coming up for the week and if the briefing and information evening we had the other night is anything to go by, it will be another awesome trip with a great group of people.

I'll see you all at the meeting on Tuesday.

Club notices

A Huge Thanks to Glen and staff at CAMPING WORKS for the valued support given to the Club over the past 3 years.

As members are aware Glen has provided us invaluable support over the past 3 years and due to council improvements the Maroochy Shire has forced Glen to close up shop. We wish Glen and his family all the best in his Semi Retirement and hope that soon he is catching the elusive one's along side us. A huge thanks from the SCSC for his valued support.

UP COMING GUEST SPEEKERS MARCH MEMBERS MEETING. WATER POLICE

If numbers are low we know why. The Water Police will be attending to answer all those questions we all want answered.

APRIL MEMBERS MEETING DAVID KNACK BOB JANE T-MARTS

David will be taking all things tyers and wheels. What you thought you knew and what you need to know. A must for those who are planning that trip.
